## Short Overview

### U13 Girls Competition Format

- 10 teams divided into 2 groups of 5
- Each team plays all other teams in its group once
- The 1st, 2nd and 3rd placed teams from each group qualify directly to the quarterfinals
- The 4th and 5th placed teams from each group enter play off matches to determine the final 2 teams that complete the quarterfinal line-up
- Play off pairings are arranged cross-group to avoid same-group matches
- Quarterfinal pairings are arranged so as to avoid same-group matches where possible
- Losing teams continue through placement matches so that all final positions from 1st to 10th are determined

One small practical note: because this format includes a play off round before the quarterfinals, teams coming through the play offs can play **one more match** than teams qualifying directly.
